

# STEP-N-GRIP

NON-SKID ADDITIVE

## STEP-N-GRIP

Step-N-Grip is a micronized polymer additive, used in aiding Non-Skid flooring systems. Step-N-Grip micronized polymers will aid in creating a textured surface. Step-N-Grip is lightweight, durable and easy to use. Step-N-Grip is easily suspended in most paints and clear coatings. Step-N-Grip can be used in both solvent and water-based products.

## APPLICATION INSTRUCTIONS

- Always do a test area first in an inconspicuous area, to assure compatibility of product and the desired look.
- Add the entire contents of one 3.2 oz. container to one gallon of product.
- Mix well and apply with a roller.
- Follow the sealer/coating manufacturer's instructions for application of their product.

Note: Product is packaged in two different size containers, 3.2 oz. containers for 1 gallon units and 16 oz. containers for five gallon units.
